

Governor's Conference on Biofuels May 30- June 1, 2007 Montgomery Bell State Park

Plan now to attend the Governor's Conference on Biofuels to be held May 30 through June 1 at beautiful Montgomery Bell State Park. The conference will inform farmers, agriculture executives, entrepreneurs, along with biofuel producers, marketers and retailers about potential growth areas and available resources in Tennessee.

The conference will offer insights from cutting edge bioenergy research institutions as well as practical advice from venture capitalists and the lending community. The fast-paced agenda will also provide educational opportunities for local government and elected officials on the most important steps for growing the biofuels industry in Tennessee.

Hear from Governor Phil Bredesen and experts on hot topics in biofuels.

- National and state perspectives on biodiesel and ethanol production
- Tennessee's current and potential biofuels feedstocks
- Marketplace experiences with biofuels production
- Importance of biofuels fuel quality
- Expectations and opportunities for financing biofuels projects in Tennessee

The registration fee provides participants with a welcome reception on May 30, full-day sessions and meals on May 31, and half-day sessions and meals on June 1. Registrations received on or before April 30 qualify for the substantially reduced Early Bird rate of \$100. The regular registration rate of \$200 will apply to registrations received after April 30.

You may register online for the conference at www.tdec.net/altfuels.

To reserve a room at the Inn at Montgomery Bell State Park, call (615) 797-3101 or 1-800-250-8613 and use group reservation code 4109. A variety of park activities and programs will be planned and available for registrants and their guests during the conference. For more information about the outstanding recreational opportunities and amenities featured at Montgomery Bell State Park, visit www.tnstateparks.com/MontgomeryBell.

Don't miss your chance to participate in this landmark gathering that will identify and determine ways to make Tennessee a leader in the emerging biofuels marketplace.
